COVID-19:
We have implemented many changes to keep you safe.
Please keep us safe by practising Social
Distancing & good Hand Hygiene while staying with us. Hand
sanitiser has been supplied for your use.

In Case Of An Emergency

FLOODING

- Do not place yourself at risk
- Follow Surfrider's flood evac plan
- Follow your safety officer's/management's/SES instructions
- If possible move items as high as possible within your van
- Tell your safety officer if you're leaving the park giving a contact address & phone number
- Park your car with valuables and exit the park
- **Meeting Place:** Visitors car park area

FIRE

- Fire within your van call 000
- If possible ring the office on **4295 1941**
- In case of a small fire try to extinguish with a fire blanket, fire extinguisher or the fire hoses located within the park
- For your own safety ensure you are familiar with the fire hoses located within the park.
